YANMAR

Product Registration Form

Thank you for purchasing a new Yanmar product. We value you as a Yanmar owner and invite you to take this opportunity to register your Yanmar product with us. Your registration will assist us in providing you with the finest in after-sale service and support.

Information you will need to register your purchase:

1. The model name of your Yanmar product.
2. The serial/engine number of your Yanmar product.
3. The date you purchased your Yanmar product.
4. Where you purchased your Yanmar product.

[The model name and serial/engine number of your Yanmar product can be found on the engine nameplate that is attached to your Yanmar product. A sample engine nameplate is shown below.]
